

With the **Satispay** application users can:

- **Pay in affiliated stores, apps and e-commerce:** the physical and online stores that accept payments with Satispay are over 80,000, distributed in all Italian provinces and online. Thanks to the low commissions that Satispay asks merchants, the payment experience for users is excellent because it is well viewed by participating merchants. In addition to the economic advantages, Satispay also allows to further improve the customer experience, making the payment faster and more efficient and reducing the waiting time at the checkout. These are the reasons that convince small shops and big brands to integrate Satispay as a payment system, including: Esselunga, Benetton, Caffè Vergnano, Grom, MyChef, Old Wild West, Total Erg, Kasanova, Motivi, Arcaplanet, Coop, Trenord, Pam, Eataly, Naturasi, Tigotà, Pittarosso, Yamamay, Carpisa, Brico Io, Lagardère, Iperal, Liu Jo, Twinset, Particolari, Chili.

- **Save on your purchases thanks to Cashback:** thanks to special initiatives of Satispay and thousands of merchants who have independently chosen to use this tool as a marketing channel, you can get instant refunds on your purchases at the stores with an active Cashback campaign displayed within the application.

- **Buy phone top-ups:** from the Services section of the Satispay app, in a few seconds you can quickly top up your phone credit by choosing the operator, indicating the phone number and the cut of the top-up. The operators available today are: Vodafone, Tim, Wind, Tre, ho.mobile, CoopVoce, Fastweb, Tiscali, Poste Mobile, Digi Mobil, Lycamobile and 1Mobile.

- **Pay any kind of debit note**, even those of pagoPA: directly from the Services section of the Satispay app in a very short time and without wasting time in the queue at the counters you can pay for many types of debit notes (white, pre-branded, bank, MAV and RAV) and notices of the public administration simply by framing them with the camera of the phone. Instead, pay slips can be paid by simply scanning the QR code on them. The cost of the service is only €1.

- **Pay the car and motorcycle stamp** without forgetting each year the deadlines: always in the Services section of the Satispay app just enter the license plate of a vehicle to pay the stamp of cars and motorcycles in a second. This service works in all Italian regions and also allows you to set up notifications to avoid forgetting to pay the stamps at later dates. The cost of the service is only €1.

- **Save for the things you love:** within the Services section of the app you can create piggy banks where you can save money effortlessly. All you have to do is choose how you want to save money every day. Satispay takes care of the rest: put aside the Cashback you received, the rest of each purchase rounded to the nearest euro or a fixed amount.

- **Gift Envelopes:** say stop to bad gifts. With Satispay you can send a digital Gift Envelope: just choose the recipient, the amount to be sent, the date on which the birthday boy can open it and a theme - birthday, Christmas and other occasions. The recipient will receive money that he will be free to use as he prefers to pay with Satispay.

Satispay is an app available for individuals but also for business owners who can use it as a method to accept payments in physical stores, apps and e-commerce. It is a cost-effective payment method for retailers, with no activation costs and no need to purchase new specific devices - any device already present at the checkout point can be used to collect payments. In addition, for merchants, the app is a powerful marketing channel through which they can communicate in a non-invasive, but clear and direct

way, promotions and special initiatives to the growing and receptive community that uses the service on a daily basis.
